# PRE-KINDERGARTEN AT GRACE LUTHERAN SCHOOL

Pre-Kindergarten is a licensed, full day program from 8:30 am - 3:10 pm, Monday through Friday. The building opens at 7:15 am. After school childcare is available until 6:15 PM at a contracted or drop-in rate. Students must be 4 years old by July 31.

Pre-Kindergarten is a stepping-stone for Kindergarten. Certified, dedicated Christian teachers and aides use formal lessons in preparation for structured classroom learning as well as informal learning environments to prepare children for the Kindergarten experience and to know Jesus Christ as Lord and Savior.

Pre-Kindergarten at Grace Lutheran School provides:

- A Christian environment
- Social and spiritual development
- Mentorship from an older student
- Music instruction and participation in school music programs
- Physical education classes
- Library and computer time each week
- Field trips with active learning experiences

A typical day in a Pre-Kindergarten classroom includes opening, Jesus time, structured conceptual learning, stories, recess, art, music, quiet time, movement, lunch and snack, and both directed and free choice play and exploration.

Tuition rates can be requested <a href="here">here</a>. Tuition is all-inclusive except for after school childcare and meals. Pre-Kindergarten qualifies for flexible spending accounts and childcare tax benefits, therefore we do not offer scholarships for Pre-Kindergarten. Our Pre-Kindergarten program is eligible for North Dakota Childcare Assistance.

Kindergarten is a full day program from 8:30 am - 3:10 pm, Monday through Friday. The building opens at 7:15 am. After school childcare is available until 6:15 PM at a contracted or drop-in rate. Students must be 5 years old by July 31.

Kindergarten is an important step in your child's education and serves as the first building block in Christian education. A licensed teacher provides your child structured group activities balanced with independent learning. Kindergarten students will experience music instruction and music programs, physical education, mentorship from an older student, field trips, and library and computer time.

A typical day in a Kindergarten classroom includes opening, Jesus time, structured conceptual learning, stories, recess, art, music, quiet time, movement, lunch and snack, and both directed and free choice play and exploration.

Tuition is all-inclusive except for after school childcare and meals. Tuition rates can be requested here.

At Grace Lutheran School, financial aid is a ministry. Our financial aid decisions are guided by the same Biblical principles we integrate into our entire educational program. It is a profound opportunity for a better education. Grace Lutheran School utilizes the <u>FACTS</u> online portal to determine financial aid eligibility.

### CURRICULUM

At Grace Lutheran School all classes are taught from a Christian perspective in order to integrate a Christ-centered learning experience into the core areas of study. We strive to provide a rich academic background while building a foundation in children's lives through the Gospel of Jesus Christ.

### RELIGION

The children apply Bible stories to their daily lives and memorize Bible verses through song. Children learn about God's forgiveness and how to respond to God's love.

### LANGUAGE ARTS

Children participate in daily story time, journaling, Zaner-Bloser manuscript methods, writing basics, and visits to the school's library.

### READING READINESS

Children learn initial consonant sounds, sight words, and additional reading readiness skills.

### SOCIAL STUDIES

The social studies curriculum which includes units on the family, holidays, our neighborhoods, and much more, all presented from a biblical perspective.

### MATH

The math curriculum includes writing numbers, identifying shapes, counting, making patterns, measurement, time, and money. An introduction to addition and subtraction along with technology skills are included.

### SCIENCE

Units include identification of internal and external body parts, looking at the sky, exploring with the senses, and characteristics of living things.

### **ART**

Creative expression is encouraged through activities that improve fine motor skills and the ability to follow directions.

### **MUSIC**

The basics of songs and rhythm are taught; in addition, many musical instruments are introduced. Students participate in all of the school's musical performances.

### PHYSICAL EDUCATION

Students engage in large muscle activities and games that encourage the love of play and sport with low-level competition.

### **CENTERS**

During the kindergarten day, there are work centers and play centers. Through the two types of centers, students learn to work independently and cooperatively, and they are able to make choices about their work. As a result, they feel more at home in the classroom.

# AT GRACE LUTHERAN SCHOOL

First, second, and third grade meet from 8:30 am - 3:10 pm. Fourth and fifth grade meet from 8:30 am - 3:20 pm. The building opens at 7:15 am. After school childcare is available until 6:15 pm at contracted or drop in rates.

Tuition rates can be requested <u>here</u>.

### CURRICULUM
