## OCTOBER 11 WORK DAY

Work Day participation is an important part of being a citizen of Grace Lutheran School. We do not employ a maintenance person, preferring to save that money for student needs. Work days also create a volunteer opportunity for our families who need volunteer hours.

The next Work Day is **Saturday, October 11** from 9 am - noon.

Work will primarily be indoors with a focus on tidying up Room I and the basement. We may also do some raking in the front yard.

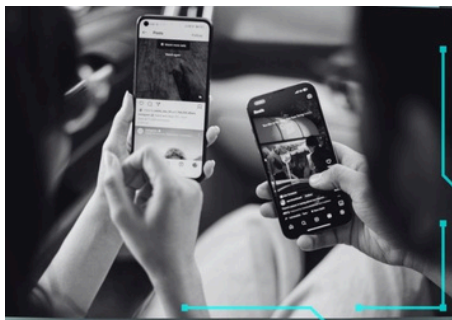

Donuts and juice will be provided.

This activity qualifies for scholarship volunteer hours.

## SCHOOL DAY VOLUNTEERS

Once again we will offer lunch help and morning care help as a volunteer opportunity for families. Lunch volunteers help serve salad bar and assist students with anything they need during lunch. Morning care helpers supervise student playtime from 7:15-8:15 am. Please contact the office if you can assist with morning care.

Lunch times have changed slightly from previous years. First shift is from 11:10-11:50. Second shift is from 11:40-12:15. Yes, there is some overlap. [Sign up for one shift or both through this link!](#)

This event is open to all people in the community and **childcare is provided** from 6-8 pm.

## REPORTING VOLUNTEER HOURS

If you received a financial aid award, you must self-report volunteer hours. The link to report hours is on the front page of this newsletter in the bottom right corner. Remember to report hours for all people assisting in your group for your student(s). A good rule of thumb is to complete half of your required hours by Christmas. There IS an option to report your hours in FACTS. Feel free to do it there instead of through the Forms link, but it's not required to do it in FACTS at this time.
