State testing for grades 3-8 will take place the week of April 27 - May 1. Please avoid scheduling appointments on those days.

### Talking With Your Child About State Testing

Let your child know that you want them to try their best. The purpose of testing is to determine what skills have been mastered and what skills need more attention and teaching. Knowing the purpose can help students feel more comfortable.

Here are a few tips we have learned over the years:

- be sure your child gets plenty of sleep
- encourage a healthy, low-sugar breakfast
- send a healthy snack and water bottle
- send headphones or ear buds
- listen to them and allow them to talk about how they feel about the testing

## SUMMER MUSIC AND TUTORING OPPORTUNITIES
